

FREE 31-Day full working system

When you have viewed the guided tours on this web site you may like to try using the Avalon Bookings Manager with your with your facilities and price tariffs pre-loaded. This will enable you to assess the Avalon Bookings Manager using data that means something to you.

During the trial period you will be able to use our help desk service if you have any queries or require guidance.

The trial system will run for 31-days. If you decide to purchase Avalon Bookings Manager we will then issue you with an “activation code” when we receive your payment - otherwise the system will simply lapse at the end of the trial period.

If you decide to postpone your purchase decision the software can easily be re-activated later.

To request a free trial system telephone Roger Burfitt or Jeanette Celli on **08454 302233** or E-mail your facilities and charges to **info@avalonsoftware.co.uk**
